DISCIPLINE POLICY

Discipline problems will be dealt with on an individual basis. Teachers will contact the C.R.E for more serious offenses (fighting, offensive language or gestures, destruction of property, disrespect of others.) Parents will be contacted for repeated offenses which may result in removal from the program. At that time, it will be determined if the student may continue in the summer program or if it is best that they attend the weekly program in the fall.

I agree and will adhere to the rules of conduct.
